Sri K. HANUMANTHAIYA.—I think it is beyond the scope of this House to probe into private correspondence.

Sri M. V. RAMA RAO.—I am not talking of private correspondence. What I am asking is unofficial correspondence. Shall we take it, Sir, that no opinion with regard to this building has been expressed by Sir Mirza Ismail?

Sri K. HANUMANTHAIYA.—I have already answered, Sir.

Sri M. V. RAMA RAO.—Sir, during the inspection informal and unofficial...

Sri K. KANUMANTHAIYA.—I do not concede that there was inspection, Sir.

Sri M. V. RAMA RAO.—So, I take it that what was done was mere sightseeing ?

Sri K. HANUMANTHAIYA.—He can take it in whatever way he pleases Sir.

Sri M. V. RAMA RAO.—Shall we then take it, Sir, that this is one of those instances in which there is nothing that could be taken as truth unless officially denied ?

Sri K. HANUMANTHAIYA.—We are here to transact official business, not to discuss private business and correspondence.

12-30 P.M.

Sri M. V. RAMA RAO.—Sir, I have no curiosity to know the private correspondence. I know what it would be like. But I want to elicit answer whether, on the occasion of Sir Mirza's visit to the premises where this building is being constructed, any opinion on design or lay-out of the building was expressed or not ?

Sri K. HANUMANTHAIYA.—There was no correspondence or suggestion, as I have said.

Mr. SPEAKER.—I would like to point out to the Member and the House that an Hon'ble member is not justified in referring to the subject of conversation the Chief Minister had outside the House. But, he may refer to it in a general way.

Sri M. V. RAMA RAO.—I am not referring to the private conversation nor am I anxious to know it. But, shall we take it that this is an instance of the doctrine that nothing has to be taken as truth unless it is officially contradicted ?

Sri K. HANUMANTHAIYA.—As I have said, we are here to transact official business and not to discuss personal transactions or personal talks.

Mr. SPEAKER.—I may also make it clear that it is the duty of the Speaker to see that the Ministers will give replies quickly, fully and truly. This is a direction given to us by Hon'ble Sri Mavalankar, the Speaker of the House of the People in the Speakers' Conference. I am carefully watching answers to the best of my capacity.

Sri K. HANUMANTHAIYA.—Is it your information that full answers are not provided, Sir ?

Mr. SPEAKER.—Questions are being answered properly. If they are not properly answered or if I am not satisfied, I will point out.

Will the Government be pleased to state :—

the amount spent by the City Improvement Trust Board for the last three years, for the improvement of Konnegowdanakoppal, Padavarahalli and Kumbarakoppal villages ; (yearwar statement with the kind of improvement and amount spent on each village may be furnished) ?

A.—Sri T. CHANNIAH (Minister for Public Health and Local Self-Government).—

Nil.

Sri B. NARAYANASWAMY.—May I know the reason for not effecting improvements to these villages, Sir ?

*Sri T. CHANNIAH.—About three years back Government have effected improvement ; not after that time.

*Asterisk indicates that the speech or remark has not been revised by the Member concerned.

Sri B. NARAYANASWAMY.—I want to know the reason. Is it due to finance or want of any scheme ?

Sri T. CHANNIAH.—Mainly for want of finances. For Kannegowdanakoppal Government had sanctioned a sum of 21,343 rupees. That scheme is under completion. Again the Mysore City Municipal Council executed some works during the years 1949 to 1953. In Padavarahalli a scheme for Rs. 78,000 has been sanctioned out of which half of the cost is given by Government. For Padavarahalli A.K. Colony a sum of Rs. 32,600 has been granted last year and that work is going to be undertaken by the Trust Board. Apart from this, the City Municipal Council have also effected certain improvements regarding public fountains, street lights, etc Regarding Kumbarkoppal, no sufficient improvements have been made except by the Municipal Council in the year 1950-51 They have spent more than Rs. 3,500 for improving drains and roads. This was three years back and later on no improvement works have been taken up for want of funds.

Sri B. NARAYANASWAMY.—Will Government kindly provide some funds for the improvement of these villages this year, Sir ?

Sri T. CHANNIAH.—Yes. As I said, in Padavarahalli Government have sanctioned very recently for A. K. colony 32,000 rupees.

Sri B. NARAYANASWAMY.—Unfortunately, in Kumbarkoppal there is no substantial improvement. Will Government help that village ?

Mr. SPEAKER.—He has replied by such a lengthy speech that they have spent so much and improvements have been effected by the Municipal Council and Government have given grants.
